The Company, and what we do

Impellam is the second largest¹ staffing company in the UK and the sixth largest² managed service provider worldwide.

Clients across the world look to us for Managed Services and Specialist Staffing in the UK, North America, Australasia, the Middle East and Europe. Working with them are 3,400 Impellam people, bringing a wealth of expertise through our market-leading brands across 182 locations.

Every year, we connect carefully chosen candidates with fulfilling jobs at all levels. They include doctors, lawyers, accountants, nurses, teachers, cleaners, scientists, receptionists, security guards, drivers, chefs, administrators, engineers, warehouse operatives and technology specialists.

Underpinning everything we do is our ‘high-retention strategy’. It is centred on making and keeping promises to deliver better results and experiences to our customers, candidates, employees and investors.

OUR VISION

To be the world’s most trusted staffing company – trusted by our people, our customers and our investors in equal measure.

OUR MISSION

To provide fulfilment and a sense of purpose for our people and help our customers build better businesses in a changing world.

- 1 By revenue (2015 published numbers)
- 2 By SUM (2014 published numbers). Spend Under Management (‘SUM’) is the total amount of client expenditure, excluding VAT, which our Managed Services brands across all geographies have been able to fill, whether acting as a principal or an agent. This has been calculated either through the total amount invoiced to the client excluding VAT or, where we operate a direct engagement model, the value of the salaries and related costs of temporary staff we introduce to and administer for the client, plus our fee for this service
